

### **Landscape Designer Position**

Scott Lewis Landscape Architecture (SLLA) is seeking candidates with at least 3 years of experience to join our creative team in San Francisco.

The practice of Scott Lewis Landscape Architecture is founded on a distinct appreciation for each property's unique characteristics. The firm's philosophy is to combine an emphasis on site sensitivity with a clear understanding of client objectives, an appreciation of architectural intent and an interest in progressive materials. SLLA solutions both engage the user and enhance the landscape.

The office, established in San Francisco for 25 years, has won numerous awards at the national and regional levels for our work in residential estates, private gardens, historic properties, roof gardens, and selected commercial and institutional sites throughout California and the West Coast.

To see examples of SLLA projects, please visit our website at [www.sllasf.com](http://www.sllasf.com).

**Position:** We are looking for candidates who:

- Share our commitment to thoughtful, innovative design solutions appropriate to the site and to the associated architecture.
- Are eager to assist our team in the development of all phases of projects from conceptual design through construction.
- Want to learn as much as possible about materials, grading and collaboration with other professionals.
- Are committed to achieving a clear communication of the design intent through detailed documentation and illustration.
- Are interested in immersing themselves in the design, documentation process and field observation of projects.
- Can work cheerfully and effectively in a small-team setting.

**Education:** bachelor's degree or master's degree in Landscape Architecture from an accredited U.S. university.

**Experience:** Minimum 3 years in a landscape architectural design office.

### **Skills**

- Demonstrated proficiency in the following programs: AutoCAD, Sketch Up, Adobe Creative Suite. Experience in Lumion or Rhino a plus.
- Ability to produce hand-drawn plans, thumbnail sketches and preliminary details.
- Knowledge of how to compose a set of construction documents.
- Thorough written and spoken command of the English language.

**To apply:** Please submit the following to: [portfolio@sllasf.com](mailto:portfolio@sllasf.com).

- Cover letter
- Résumé
- Portfolio of work including AutoCAD construction documents, plan renderings, 3D studies and hand-drawn plans, details or thumbnail sketches. Digital portfolios should be in PDF format not exceeding 12 MB in size. A link to an online portfolio may be included but emailed applications without work samples directly attached in PDF format as described above will not be considered.

This is a full-time position. Health care benefits and 401k plan included. Compensation will be commensurate with level of experience. Successful candidates must be able to provide proof of authorization to legally work in the US.

No phone calls, please.
